“ I met Ellen when I began working at DOCCS MBPU. We shared a love of donating to the NYS educational fund in Saratoga.

Ellen is one of the kindest, warmest and strongest women it has ever been my pleasure to know. She so dearly loved her beautiful grandchildren and truly relished every moment with them. I know no words can express adequately the profound loss of such a loving and caring mother, grandmother, sister and friend.

My most heartfelt condolences to all of you.

“ Ellen was a great Lady, who always had a smile on her face especially, when we spoke about our children. We would accidentally bump into each other at the supermarkets and catch up on how our families were doing. I will miss seeing her, but I'll know she'll always be in our hearts.
