“ I love you and miss you already Grandma. My favorite memories are family holidays at your house with all my cousins and aunts and uncles. Not exactly "over the hills and thru the woods", but the anticipation & excitement of driving up the NYS Thruway to see you and Grandpa will always be etched in my mind and heart. Smelling the turkey on Thanksgiving and watching football all day. Putting salt on some crispy turkey skin when it came out of the oven. Getting firewood from under your house and feeling empowered tending to the fireplace as a young kid. Playing pool down in the basement. My memories are endless.

You were the perfect Grandma and probably the nicest & sweetest person I've ever met in my life. I love you Grandma. Please rest in peace with Grandpa in heaven.

Love,
Bobby
