

## Bethany Arden Parker

December 23, 1991 - May 16, 2022

Bethany Arden Parker went home to be with Jesus on May 16, 2022. She is now free from her struggles and is at peace with her Lord and Savior.

Born December 23, 1991, Bethany grew up in Delmar and graduated from Bethlehem Central High School in 2010. She blessed everyone around her with her love, creativity, and infectious laugh. Her Cricut accompanied many of her projects, and she loved creating in a variety of mediums. She was also known for her customized, ornate gift baskets.

Bethany loved spending time with family and friends, especially her nieces and nephews (Natalie, Caleb, Nathan, Jack, and Charlotte) whom she adored and who lovingly referred to her as "Aunt Bethy".

Bethany was a beloved daughter, sister, aunt, and friend and is survived by her parents Paul and Alice Parker (Hoffman), sister Breanna (Chris), and Paul (Sarah). She also had many aunts, uncles, and cousins and a feline confidant Owen.

Calling hours at the King's Chapel are Friday morning May 20, from 9:00-11:00 am immediately followed by a memorial service at King's Chapel at 440 Route 9W, Glenmont. A graveside service will follow at Bethlehem Cemetery.

In lieu of flowers, the family asks donation to be sent to the New Faith for Women's Program at the Capital City Rescue Mission.

“ *Dear Paul, Alice, Breanna and Paulie,*

*I am so sorry for the loss of your darling Bethany. I have struggled to find words that may offer you comfort but they are difficult to find. Bethany always took the time to speak to me whenever our paths crossed. She would fill me in on everyone in the family. She always remembered my name, asked after my family and passed some time with me because I had a connection, though small, to her beloved family.*

*She was well loved. We all share in your unimaginable grief. We have lost such a special young woman. I am sure she has been welcomed into heaven.*

*You are all in my thoughts and Bethany will always be in my prayers.*

*Fondly,*

“ I was Bethany's sixth grade math teacher. What a happy, outgoing, always smiling student. I have taught for over 40 years and Bethany is one of those special students I remember for her positive energy and kindness. Lots of basketball conversations with her. Gone way too soon. Condolences to her family & friends.

“ I am so sorry Parker Family! Bethany was an amazing person and I loved when Nicole and her would play together as pre-school buddies. I can just see them now as I dropped Nicole off at your house and they ran to her room to play. Such great memories! She was always so nice to me and always talked to me. I just saw her recently at Cumberland Farms and of course she spotted me out and said, Hi Mrs. Howland as she usually did when I saw her. Always so happy and friendly to our family. So sorry about the loss of her from your family.

“ I was Bethany's 10th grade English teacher, some 14+ years ago, and I absolutely remember with clarity her laugh, her smile, her wit, her voice, her conscience, her compassion, her presence, her Light. Good Lord, that is one heavy loss. I'm holding you all--and her--in that Light.

“ Alice and Paul,  
My heart is saddened for your family. Bethany was a bright and beautiful young lady that we had the privilege of knowing. I have many fond memories of her over the years but especially how she made the wedding day of Jim and myself extra special with her creativity. I remember, Alice, so many years ago holding my sister Melanie's daughter, Laura, as a baby in church in Ravenna sitting next to you while you were holding Bethany. Prayers for comfort for your family ❤️

“ Ever since I was little I always looked up to Bethany. I thought she was so cool, warm, bubbly, kind, and she had this brightness about her that just made you want to be close to her. I am so incredibly sorry that she's gone and I love you all so very much. Please don't hesitate if there's anything I can do at all. Sending so much love your way.

“ I graduated high school with Bethany. Even though her and I didn't know each other extremely well, I distinctly remember what a kind, friendly, and caring person she was. She made a huge impact on the class of 2010 as well as the Bethlehem community as a whole. My thoughts are with all of her loved ones during this difficult time. She will greatly be missed.

“ Beth was such a beautiful and talented woman. I remember when she planned and decorated a wedding we threw for friends in our back yard with very little money to work with, and her style, skill, and the care she put into it made it turn out so beautifully. She was such a shining light in the world and everyone who knew her is heartbroken. I'm so sorry for your loss but rejoicing that she is with Jesus now and no longer struggling.
