“ *There isn't a single memory I can share. Our lives have been
intertwined since the day we met 26 years ago. Through the ups
and downs we always were there for each other. Misunderstood as
we were, we saw the good, loyal, and point of view of each other.
You were a great man in the only ways that mattered to me, your
heart and our bond. You never judged or held a grudge (well not for
too long). You always had my back, even if I was wrong. You're my
day one, my best friend, my twin flame, and my brother. No matter
time, distance, or space, we were 1000% DOGS FOR LIFE. I love
you, David Brown.*

“ You always have been a little on the crazy side, and driving everyone nuts, but you always knew how to be the life of the party and make every time a good time, you were well loved and I’m not sure how I’m going to do this without you 😭 I love you forever dad.
♥️ I just wish we had more time in each other’s presence. You really are one of a kind. ♥️♥️
