“ Coach Woody, it was hard to hear of your passing. I remember all those practices you and Jeff pushed us through, jump roping in the shower to cut weight, pushing us past the point of exhaustion. I didn't know it at the time but you were setting us up for the future and that's been a driving force behind me since. I don't sport that haircut you gave us all after practice that one day but I'll never forget it or you. May you rest in peace and your family find some comfort knowing you are in a better place.

“ To Greg's family I was floored to hear about his passing. Woody was larger than life that's for sure. I had the honor of playing ball with and against him for a couple years and I think I'm still sore from it 20 years later. Toughest SOB I ever met, both on and off the field. Always had everyone's back if you were lucky enough to know him. Please accept my condolences.

“ Ebony my dear friend it breaks my heart to see another friend of mine gone at such a young age. But where he is now there is only beauty and everlasting freedom from any pain or disparities. He is your rock, your strength ,your Angel and he will watch over you and the kids and protect you. Ebony you are a strong beautiful woman, time will heal, but the memories will always be in your heart. You need to keep those memories strong for your kids. If there is anything you need or I can do for you Let me know, love you girl.

“ *Greg, you molded me into the strong, dependable, and hard working man I am today... If you didn't teach me the hard lessons of reality 18 years ago in wrestling, there's no way I would have been able to accomplish any of the things I was able to! Thank you for helping me win a state title, and always being in my corner. Now I hope you can watch over all of us in heaven, we will all be there for your little ones and your family like you were there for all of us!*

“ Woodward Family,

I am truly sorry to hear the news of Greg's passing. Although I haven't seen Greg since we finished high school, I thought of him often -- as a friend during our days at West Albany Elementary, as a teammate on the lacrosse field, as someone who always brought a big smile and positive energy to the room.

Greg was a special guy, and he will surely be missed. My thoughts and prayers are with you.

Sincerely,

Jeff Tomaso
