Joan was a good hearted soul, the life of the party and her laugh stood out in any room ! She always wanted to be an actress and live in NYC . Thankfully she raised 2 kids and put her dreams aside to be the most giving, caring person one could be. She taught them honor, respect and love ! She wasn't perfect she had her faults, but she gave the shirt off her back and looked out for her children and her friends . She loved life and adventure and the finer things in life . Whether u sat with her at a campfire or in a fine restaurant she was sure to offer stimulating conversation or laughter . She loved Frank Sinatra and music of all kinds. She will be greatly missed by all the people she came in contact with, she was the true and real Joan ! Heaven Gained an angel today ! We love u Mom !
