

John Stewart Bishop

March 30, 1984 - May 5, 2021

John Stewart Bishop, 37, Surrounded by family, went to heaven May 5, 2021. We have wept and are heartbroken but we entrust him to the tender embrace of the lord in a place of light and eternal peace. John's greatest asset was his love, joy and devotion to his precious son, William, 3 years old. Until we meet again John leaves behind his parents, Maryanne (Heckman) and Stewart Bishop, his siblings Joelle, Michael (Lori), Kevin, Brian and Jen.

He was a graduate of Paul Smith College with a degree in Natural Resources Management and Policy. He was certified Arborist and enjoyed housing rehabilitation with his brother Mike.

He was born in New Hampshire but he spent nearly his entire life in Albany. He resided in Florida for the past several years.

He had a never ending passion for the serenity and seclusion of the outdoors in the Adirondacks. He enjoyed cooking, card games and being a good friend. But most importantly time spent with his son.

He made friends easily and kept those friends close. He was admired for his outstanding wealth of humility, generosity, loyalty, integrity and humor. He was a resilient heartbeat of our family and a lifetime learner.

He will sadly and forever be missed but will dwell in the house of the lord forever. His darkness is now a shining bright star who will always watch over his loved ones and be a guardian angel watching over his son.

Condolences can be sent to Maryanne Bishop, 1866 Cameo Way, Clearwater, FL. 33756

“ John was always such a positive person and influence to me. He had a way of looking on the bright side of things. I will always remember him as a good friend during our time at Paul Smith's College.

Hello Daniel, I am not sure how I came upon this when it came up on my phone. I recall your name; John spoke of you often. He spoke often of all the good times at Paul Smith. I pray and talk to him often. His little boy is almost 8 in a few months. He looks like John and has all his features and he and I talk often about Daddy. We talk to Daddy about all the good times. He will always be in my heart
You can contact me anytime. I still live in Florida so I can be close with his little boy. You can call me anytime 727-902-3557.
