His family would not know me but i was sad to hear about my little Joey. I lived upstairs at 112 So Allen St when all the kids were young.A wonderful family lead by amazing parents. Lena & Tony were the best. My remembrance & prayers to all of his family

“ *Please accept my sympathy for your loss. Although Joseph lived far away, I know he remained close to your hearts. I remember how he brought the sunshine of his smile to his mom and family here when he surprised everyone by making the long trip to attend one of his mom's milestone birthday parties. I am sorry for your loss, Kathie and Mississippi family.
