

## Margaret M Johnson

March 18, 1929 - February 26, 2019

Margaret “Peg” Johnson, 89, died peacefully on February 26, 2019 at home with her loving daughter Mary Kate Lasch and son (in law) Bruce Lasch by her side. Peg was born in Brooklyn NY on March 18, 1929 and was the 4th of 5 children. She moved to Long Island where she raised her two oldest daughters and where her oldest surviving sibling Harriet Henry still resides. Peg is predeceased by her Mother Katherine Powers Breen, her Father Harold Breen, brother Jack Breen and sisters Kay Ankenbrand and Lillian BreeneTucci. She adored her nieces Lois Scott and Jean Ryan who have always been there for Aunt Peg. She is loved by many great friends. Her friendship with Natalie Brough and Ann Collins goes back over 40 years. Matt and Jackie Kennedy are also dear friends and were neighbors for over 30 years on

a small quaint street in Coxsackie, NY  
where Peg, as a single parent  
raised her 3 youngest children.

Peg is survived by 5 children,  
11 Grandchildren and many great-  
grandchildren.

Peg retired from the NYS  
Assembly where she worked in the  
Journal Clerks Office. She enjoyed spending  
time with her grand-children Matthew  
and Emily Lasch, talking politics with her  
son Brian Johnson, writing poems,  
playing slots and listening  
to audible books. She will be remembered for  
her quick wit and sense of humor.

“ *I remember how beautiful your Mom was and I remember how kind and welcoming she was when all the Tucci kids would show up at your house for a weekend visit. I'm grateful that in my adult years I was able to have a laugh with her about things that would otherwise be too painful to talk about. I cherish that relationship and I'll miss hearing her voice on the other end of the phone. I wish all of her children peace and healing. <3*
