“ I choose to light a yellow candle for you, Meg, because it reflects the bright spirit you have and the color of the walls I painted for you in the hallway, in your lovely Lake Champlain home. I had my first pickleback with you and I am not sure who is going to carry on the “pickle back tradition” at the Mutton Hollow Parade, nor who is going to have a better time there than you! You had such a zest for life and I will miss you very much. Your laughter was infectious, your kindness never ending. Love and prayers to you Chuck, Erin, Chip, and the rest of your lovely family. Rest in peace my friend. 🙏

“ My deepest sympathies to Meg's family. I am a longtime colleague of Meg's and was always taken with her incredible energy and generosity of spirit!! Meg was an adored and respected teacher, a gifted communicator, and a passionate dog lover. Her kindness and humor were second to none! We have lost a truly special soul from this earth. Wishing the family strength in the days ahead.

“ We at Van Slooten Harbour Marina are deeply saddened of the news that our dear friend had passed away. We all love you Meg and we all looked forward to seeing you and Chuck float in on the party barge, bickering all the way . Lol you two had a beautiful , loving marriage. I'm sure we will here your laugh on the gentle breeze as we gaze out on your beloved Lake Champlain, while the sun and our memories of you warm our hearts. We will miss you so very much and will think of you with love . Please guide your family from above.

“ Thinking of you all at this time. Never meeting Meg didn't mean that I didn't know her. Her caring nature and willingness to help FB strangers showed me all I needed to know to call her my friend. The TRUE members will never forget her kindness.
