“ My heart will forever be broken, Nicole you were so special to so many people, you left your love and compassion wherever you were, I will never forget growing up together and all the memories we shared, even as we got older and had two beautiful daughters of our own, I love that Alannah calls Mila Mia, they have as much fun together as we did, I hope you can have peace and no more pain, we will all miss you so much, Aunt Debbie and Uncle Jeff I hope one day you will find peace again knowing how beautiful of a woman you raised she was truly one of a kind. Until me meet again beautiful angel fly high ✨
