

## Dr. Pius P.J. Powers

June 14, 1952 - May 12, 2024

P.J. was born in Charlottetown, Prince Edward Island on June 14, 1952. He completed his undergraduate studies at Dalhousie University, medical school at Memorial University, his pediatric residency at McGill University, and neonatology at Cornell University Pediatrics, Manhattan. He was an attending neonatologist for over 40 years in Tennessee, New York, Florida, and California. Formerly Director of Neonatal New Born Services at Sutter Santa Rosa Regional Hospital.

He passed on May 12, 2024, surrounded by his loving family. He is survived by his wife Anne Marie Tallent; and loving son Andrew; siblings the late Carol Ann Bauer, Mary, Edward, George (Lorraine), Barbara, and Ellen Power, and many nieces and nephews including goddaughters, Mary Ellen Power and Kate Dossetor.

The St. Francis Prayer was his favorite because of his scientific work: "Seek not to be understood but to understand." He loved his dogs, trips to the beach, gardening, and listening to vinyl records. His hunger for knowledge, love of life, and kindness to others left a lasting impression on all those who met P.J. and he cherished every friend he made.

Funeral services will be held Thursday morning 10:00 am. at St. Vincent de Paul Church. There will be a gathering in hopes friends and colleagues will

join us to bid a final farewell to P.J. as he desired his home to remain in Albany. Calling hours will be held Wednesday 4pm - 7pm at Magin & Keegan Funeral Home at 891 Madison Ave, Albany, NY 12208. We would love to see everyone, hope you can make it. Interment Albany Rural Cemetery.
