“ *I only just learned of Ron's passing. My deep condolences to the entire family. Our walks in the Glasco preserve with our dogs, and the subsequent email correspondence, meant so much to me. I learned over time the depth and kindness of Ron's soul. He will be deeply missed by both myself and Bella but I know his transition back to the Universe was a cool breeze. Total Pure Bliss Consciousness to you, my friend. Sat Chit Ananda.*

*Hi Drake,
Thanks for sharing your thoughts. I appreciate this message. You were such a kind friend and my dad always spoke highly of you. He had a photo of Bella and Hans that he kept on his desk. I will miss walking the river with him. When I learned of his passing I saw a great Blue Heron like the ones he was always trying to photograph at the river. I hope our paths cross again someday.
Sincerely,
Melina*
