“ *We are devastated to hear of Scott's passing. To leave this Earth so young just isn't fair to anyone. Remember and cherish all the wonderful memories you shared. If and when you have a chance listen to the song "To Where You Are" by Josh Groban. You'll have a good cry but it's a beautiful song to let you think of Scott "on the other side". Our thoughts and prayers are with you all as you move ahead in this difficult time.*
