

Thomas D. Murray

May 14, 1995 - April 22, 2021

Thomas Murray, 25, ("Tom," "Murrman") passed away peacefully in his sleep on Earth Day, April 22, 2021. Born May 14, 1995, a lover of animals, film, comedy, and most importantly, his friends and family.

His deeply creative and artistic mind leaves untouchable memories in our hearts; these memories are there for us to celebrate his life exactly how these memories were created, with a smile and with love.

Thomas saw the good in all things and cared deeply for everyone he met. For that, we ask that everyone remember to always, "pay it forward."

He will forever be loved and missed by all those fortunate enough to have met him and his legacy will live on through each of us and the stories we tell. On Thomas' mirror is a handwritten note, "Good Morning, Partner - Let's have a good day." The coming days may be hard, but life is too short to do anything other than exactly what Thomas said, "let's have a good day."

Please join us to to celebrate Thomas' life at the Elm Avenue Town Park, Large Pavillion in Delmar on May 2, 2021, from 6:30p.m. to 9p.m., casual attire encouraged.

In lieu of flowers, please do what Thomas did and donate to St. Jude

Children's Research Hospital or the Hypertrophic Cardiomyopathy Association.

“ Thomas was our "Dill" in *To Kill A Mockingbird* at Capital Rep. A difficult and complicated show with a very large cast, and Thomas navigated it all with enthusiasm and aplomb. I'll never forget what a sweet, focused presence he always was in rehearsal room. I'm happy our paths got to cross briefly, and wish his family peace in the knowledge that he impressed many people in his short life! God Bless. Yvonne Perry

“ What a privilege to have had the chance of working with Thomas on *TO KILL A MOCKINGBIRD* at Cap Rep. His precocious brilliance as Dill (and his humor and warmth offstage) were such a joy to me (particularly since I was playing such a despicable character in the show). It's unutterably sad that we had such a brief moment to be graced by his presence here, though I know the memory of his time with us will continue to serve as a source of light to everybody who *EVER* came into contact with him.

Thanks, Steven, for expressing so perfectly what I know we all felt about Thomas and the time we shared with him in that production. He was a pleasure to work with and I will always remember the charm and wit he brought to our company.

“ *Dear Marnie, Sean and Family:*
I am so very sorry for the loss of your son and brother, Thomas. He was a beautiful child and he grew into an incredible thoughtful adult. I am honored and blessed to have known him and will miss him terribly. I loved talking with him..he would stop and talk about his family. I will miss seeing him walk his dog at the Normanskill garden and around the neighborhood-he loved his dog so much.

Our world is a a little less bright because Thomas has passed-but heaven is brighter. May you find some peace and strength in knowing he was loved by many and he touched many lives with his goodness. Although way to short a life-it was well lived and he was loved by many. Love, Mary and Family

“ What an amazing family the Murrays are, and Thomas was no exception. I ran into him shortly after his diagnosis, and he explained that he wasn't able to play sports because of his condition. He didn't seem scared at all. He spoke very matter-of-factly about it. Thomas was always so polite and kind. I can speak for all of the teachers at Slingerlands who knew Thomas when I say that we will always remember him as an incredible person who faced a challenging situation with courage. We are thinking of the Murray family as they grieve the loss of their son, Thomas.

“ *5 years ago this lovely young man called the HCMA office to talk. I was impressed with his reaching out as many others his age would not. I am saddened to hear of his passing and frustrated that HCM steals so many young lives. May he rest in peace and live on in the hearts of all those who loved him. My sincere condolences to all who grieve Thomas. Rest now big-hearted warrior, the battle is done.*
