“ Ginny and I became FB friends 6 years ago. Since that time we exchanged daily morning greetings, talking about the weather, our plans for the day. Although we never met in person, I considered her to be one of my dearest friends. I shall miss her.

Ginny, where do I begin? Ginny, I was a young, snout nosed kid when my career started with the NY State. You always kept it real, and most of all you cared. You are and you will always will be my favorite Supervisor I ever had. You were always there for me, not just with the job, but as a friend. You, my <3 were a force!!!! I love you and I'll miss the support and daily posts that you always, no matter what, to support me. <3 your beautiful Angelina. XXXOOO
